Housing License Agreement

I authorize AquaSafe to arrange housing for the period from May 17, 2025 until September 5, 2025, **12:00 PM EST**. I understand that AquaSafe has entered a lease agreement with the property I will be living in; this is for my convenience as I may not be able to find approved housing prior to my arrival.

I understand that my employer is entering into an agreement of employment that includes housing costs that are reimbursable to the company. It is understood that employees are granted a revocable license to use their apartment units, but they are not sub-leasing their apartment units; they are only reimbursing housing expenses incurred on their behalf during their stay. I understand and agree that provided housing is to my direct benefit.

Housing Cost

I understand I am responsible for the housing cost as described in Appendix III, starting from my first full week until the week of September 5, 2025, **regardless of my departure date**. A full week is considered Saturday – Friday. The week of arrival only will be pro-rated at \$20 per day for a partial week; the week of departure will be charged a full weekly rate. I understand that housing costs are based on location and in the event that my location will change, my housing deductions will be adjusted accordingly.

If I arrive **after** the date I stated in the Arrival Statement, and my actual arrival date is after May 24th, I will be responsible for the housing cost starting May 17th, unless approved by AquaSafe office. I understand that I must vacate my housing by 12:00 PM EST on September 5, 2025. Consequences of failing to move out by this date and time may include additional housing charges, removal from the property and loss of my housing deposit and loss of all or part of my incentive bonus.

I understand that this price is non-negotiable and under no circumstances will a refund be given. I authorize my employer to take weekly payments from my paycheck to cover the housing cost. It has been explained to me that my weekly housing payment may differ from week to week according to my earnings. This is only for my convenience, to ensure some amount left after the deductions. For further explanation, please see the Sample Deduction Schedule in Appendix II. I understand that only AquaSafe employees are authorized to live in the housing provided.

I am aware that my employer holds the right to terminate my employment at any time and upon termination I must vacate my apartment within 48 hours.

Apartment Deposit

I authorize my employer to deduct and hold \$195 apartment deposit from my paycheck. I understand that **\$95 is non-refundable** to cover the cost associated with renting the apartment (application fees, background check fees, utilities set up fees, amenity fees, etc.) The refundable part (\$100) will be issued by the spring of 2025. This will be refunded if the apartment is vacated by September 5, 2025 by 12:00 PM EST, left in the same condition as found upon move in, the apartment does not receive any noise violations or complaints from the property and the supplies provided by AquaSafe are returned in good condition or removed from the apartment (according to AquaSafe instructions). I understand that this deposit is non-refundable in case of housing violations during the season, damages/cleaning fees charged by the property upon final move out inspection and/or I do not complete my employment agreement. Housing violations include, but not limited to damage to the apartment or apartment equipment; need for cleaning; noise or other complaints from the property; apartment keys/access cards or parking permits missing; items/furniture left after vacating the apartment, etc. In case the apartment deposit is not enough to cover the cost of the above-described cases, I authorize my employer to deduct the difference from my last paycheck and/or withhold my End of Season Bonus or charge an additional housing deposit to cover the difference until the final costs are calculated. I understand that there will be inspections performed throughout the season and any apartment found to be in violation of the rules including but not limited to sanitary concerns or damages, may result in an additional deposit fee per violation, per person, to cover future complaints or damages. I understand that AquaSafe is not responsible for investigating individual cases and all occupants will be held equally responsible for all violations unless admission of guilt is received in writing by any individual(s).

Utilities

I understand that I am partially responsible for the cost of utilities and other monthly fees (water, sewer, electricity, gas, trash, etc.). I authorize my employer to deduct \$25 each week for utilities and other monthly fees. The amount exceeding \$160 per apartment in monthly utility bills will be equally divided between the occupants of the apartment and I authorize my employer to deduct this amount from my paycheck.

Basic Furniture

I understand most apartments will come with an oven, stovetop, dishwasher, refrigerator, ac/heat, WiFi and clothing washer/dryer facilities I understand that laundry facilities may be located separately from the apartment and may have additional cost. WiFi is provided free of charge for up to 3 months in apartments where short-term, pre-paid coverage is available, which cannot be guaranteed. I understand that AquaSafe provides each apartment with FREE starting basic furniture such as table, chairs, airbeds and lamps. AquaSafe will also provide free dishes, silverware, cookware and some janitorial supplies. I understand that the starting basic furniture package is provided and delivered for my convenience, but after my first 2 full weeks of work, if any of the above-mentioned items are damaged or destroyed, it is my responsibility to renew or replace. It is recommended to keep the original packaging of the air bed in the event that it can be exchanged. I understand if I wish to have any other furniture or cleaning supplies, I am responsible to purchase on my own. I further understand that pillows, sheets, linens, blankets or sleeping bags are not provided and I have been advised to bring them with me. I

understand if I do not complete my employment agreement, I will be responsible for a furnishing cost of \$150 and authorize my employer to deduct this from my paycheck. If I wish to purchase additional furniture there are several convenient online options available including Amazon, Wal-Mart, etc. AquaSafe may assist with coordinating delivery of such purchases upon request.

Housing Rules

I agree to follow all housing Rules and Regulations described in Appendix I. I understand that violations of these rules and regulations will be considered a breach of this agreement by the employee and may result in terminating this agreement. In such case I must vacate the apartment within 48 hours.

Cultural Diversity

I understand that I may be living with individuals from backgrounds and cultures different from my own and I am expected to be respectful and open minded towards new customs, values, beliefs, communication styles, etc. Common roommate concerns including cleanliness, noise, sleeping or social habits, sharing, etc. are expected to be resolved internally amongst all occupants. AquaSafe and its representatives are available to help mediate conflicts which cannot be resolved internally but unless the situation is considered a threat to the well-being of any individual(s), is illegal in nature or is a breach of this agreement, AquaSafe is not responsible for enforcing a solution. In cases which are considered in one of the categories mentioned above, any individual(s) may be asked to relocate per the discretion of the employer.

Authorized Occupants

I understand that AquaSafe has entered into a lease agreement with the property permitting only authorized AquaSafe employees to live in each apartment. For the safety, security and comfort of all occupants, overnight guests are not permitted, either from other AquaSafe apartments, or non-AquaSafe employees, without permission from the other occupants and only on a temporary basis (i.e. 1-2 nights for a friend/family visiting from out of town or other similar circumstances). If it is found that unauthorized occupants are spending an excessive amount of time in the apartment, it may result in additional housing fees and/or disciplinary action up to termination. All guests are required to follow all Housing Rules and to be respectful and mindful of the personal property and personal space of all occupants as well as in the common areas.

Other

I understand that in case of termination of my employment and/or my housing agreement, I am still responsible for the total cost of the housing until September 5, 2025 and I authorize my employer to deduct the remaining housing cost from my paycheck(s).

I understand that if I find my own housing after my arrival, I will be still responsible for the cost of the housing until September 5, 2025, and I authorize my employer to deduct it from my paycheck(s).

I understand that in order to live in the same apartment with friends (up to 4 friends), I must arrive at the same time with them and no later than May 24, 2025. However, AquaSafe **cannot guarantee** accommodation of this request.

I understand that I may need to move from one apartment to another during the course of my employment, due to a new/changed work assignment.

By signing below, I honestly state that I read and agreed to all terms and conditions described above.

Appendix I

Housing Rules and Regulations

PARKING

Occupants shall not park any motor vehicle in any area designated for no parking or no standing. Occupants shall obtain a parking permit from the property for any vehicle parked on the property premises (otherwise the vehicle may be towed) and is responsible for returning the parking permit to the property at the end of the lease. Occupants are responsible for all fines associated with any vehicle operated.

CLEANLINESS

Apartment must be kept in a clean and sanitary order, including removing trash on a regular basis, sweeping floors and carpets, keeping food off of counters and regular maintenance of bathrooms and other apartment facilities. Any pest infestation or other complaints found to be the result of negligence on behalf of the occupants will be the responsibility of the occupants, including the deduction of any costs incurred. Occupants are expected to follow CDC cleaning and sanitation guidelines for shared living spaces to prevent the spread of disease.
