Description

Unlock your potential in the hospitality field by joining RMC Asia's Cultural Exchange Program. This exciting Food & Beverage role at Accor in Qatar offers real-world exposure within a luxury hotel, perfect for developing essential industry skills.

As part of a broader program, applicants may also be considered for placements across Asia's leading hospitality destinations. Begin your professional growth on an international scale, submit your application today!

Food & Beverage – Responsibilities

- Greet guests, assist with menu inquiries, and take food and beverage orders.
- Serve food and drinks at tables, counters, or guest rooms, ensuring friendly and efficient service.
- Clean and organize work areas, dining tables, and serving counters, and prepare tables or food trays for new guests.
- Learn and practice drink-mixing techniques, and assist in creating and updating beverage menus with new cocktails and specials.
- Maintain cleanliness of the bar area, assist with inventory management, and restock supplies.
